

CONFIRMATION OF ETHICAL APPROVAL/EXEMPTION

The Michael J. Fox Foundation for Parkinson's Research (MJFF) requires all grantees to provide written proof of appropriate ethical approval before grant funds are dispersed. In cases where the ethical approval is in a language other than English, MJFF asks that the grantee institution confirm receipt of the appropriate ethical approval using this form. For projects that are exempt from ethical approval, MJFF asks that the grantee institution confirm exemption using this form.

Please check the appropriate box:

☒ This project is exempt from ethical approval

☐ This project has received the appropriate ethical approval (please attach the approval letter)

Grant ID: MJFF-021134

Principal Investigator: Tristan Glatard

Project Title: Improving the generalizability and robustness of MRI-derived biomarkers of Parkinson's Disease through analytical and data variability evaluations

If the project has received ethical approval, please enter the dates of validity: [Click or tap here to enter text.](#)

Institutional Approval:
